List of Limerick Area Post-Primary Schools

*It is MOST IMPORTANT for parents to indicate on this form at least **9** schools to which they are applying in genuine, descending order of choice. Only those schools identified in order of choice will be empowered to consider your application. A Statement of your genuine order of choice will not mitigate against your child. If your child is unsuccessful in obtaining the first choice, this will have no effect on his/her chances of obtaining a place in one of the lower choices. **By submitting this form a parent acknowledges that failure to identify a sufficient number of choices may result in your child not being offered any school place should the schools applied to be over-subscribed or should your child not meet the criteria in the admissions policies of those schools identified.** For these reasons your child's interests will be best served where a minimum of nine schools are listed in order of your choice and parents are strongly advised to co-operate in this regard. Forms will be returned if 9 choices are not filled in. Schools will share the information for your preferences with other schools if relevant.*

Please return the completed Application Form to the Principal at the Number 1 School of your choice by 12.30pm on Monday, 16th January 2012. Please enclose an A4 sized stamped self-addressed envelope.
